

Chicago Area All-Star Math Team D Team Nomination Form

The goal of the CAASMT Developmental or D team is to develop promising freshman and sophomore students into exceptional A/B team members. In order to do this, we need math team coaches to help us by nominating freshmen and sophomore students who show promise in their participation on math team, but who are unlikely to qualify for the A or B teams outright. **In order to be selected for the D team, a student must also attend the tryouts on January 31 at Evanston Township High School.**

Student's Name: _____

School Name: _____

Current Math Course: _____

Grade Level/Year in School: _____ *(must be 9th or 10th grade)*

Nominating Coach: _____

On a 1-4 scale, please rate the candidate on each of the following by circling the appropriate number:

	Least			Most	No Basis
Interest in/enthusiasm for mathematics	1	2	3	4	0

Explanation: _____

Demonstrated team commitment	1	2	3	4	0
------------------------------	---	---	---	---	---

Explanation: _____

Ability to work with other students	1	2	3	4	0
-------------------------------------	---	---	---	---	---

Explanation: _____

Ability to "step up" to challenges	1	2	3	4	0
------------------------------------	---	---	---	---	---

Explanation: _____

If recommending more than one student, how does this student rank? _____

If this student scored slightly lower on the tryout than other students on your team, would you still recommend him or her?

_____ If so, please explain: _____

Below, please give any additional information in support of your students' nomination to the D-team.

*Please return this form to Paul Karafiol via email at karafiolp@wpcp.org or to:
Paul Karafiol, Walter Payton College Prep, 1034 N. Wells St., Chicago, 60610 – fax (773) 534-0035.
All nominations must be received by January 31 to be considered.*
